MFC consultants are trained, knowledgeable professionals whose services are available to church and charity leaders for personal one-on-one consultation with your members on financial planning, wills and charitable giving, to your congregation through seminars and sermons, and to your boards and finance committees for technical financial expertise.

Dedicated to biblical principles and built on a foundation of trust, MFC has been practising its tradition of sharing and mutual aid by investing a large portion of its assets back into its supporting communities since 1974.

## **Stewardship Education Materials**

Encouraging financial literacy and providing stewardship education is one of the primary mandates of MFC. Demand for stewardship materials, and strong affirmation of MFC's ongoing efforts reinforces our commitment to continue to build this important ministry.

MFC's teaching and preaching on the appropriate and responsible use of God's gifts, coupled with its commitment to provide quality educational material, challenges leaders and laity alike to live out their faith in a material way. Whether it is a one-on-one meeting, sermon, Sunday school lesson, seminar, or written resources, MFC is committed to helping individuals and congregations work at what it means to be stewards of all that God has entrusted to us.

Resources available online at [mennofoundation.ca](http://mennofoundation.ca) include:

**First Things First.** Learn how to manage money from a Christian perspective by putting first things first.

**God, Money, and Me.** Exploring the spiritual significance of money in our lives.

**Money Management and Financial Planning Guide.** Developed by MFC staff, through extensive research and practical experience.

**Managing God's Good Gifts.** A series of lessons designed to prompt group discussion on a variety of topics related to biblical stewardship.

## **Seminars and Presentations**

MFC consultants are available to preach on stewardship themes and to lead or facilitate adult and young adult Christian Education classes. Consultants will conduct weekend, full-day, part-day or single seminars/workshops for church groups and in other settings, upon request.

Any of a number of topics may be covered in varying degrees of detail, depending on the time period available. Consultants are prepared to present by themselves or in conjunction with other related professionals. Arrangements should be made directly with the MFC consultant in your region.
